ORDER UNDER 11 U.S.C. § 363(b) AND FED. R. BANKR. P. 2002 AND 6004 AUTHORIZING AND APPROVING DEBTORS' ENTRY INTO TRANSFER AGREEMENT WITH JOHNSON CONTROLS, INC. PROVIDING FOR (A) SALE OF ACQUIRED ASSETS FREE AND CLEAR OF LIENS, CLAIMS, AND ENCUMBRANCES (B) CONTINUATION AND TRANSITION OF SUPPLY TO JOHNSON CONTROLS, INC. OF BATTERY PRODUCTS OUT OF FITZGERALD FACILITY AND (C) IMPLEMENTATION OF ATTRITION PLAN WITH RESPECT TO NEW BRUNSWICK FACILITY IN ACCORDANCE WITH IUE-CWA MEMORANDUM

("NEW BRUNSWICK TRANSFER ORDER")

Upon the motion, dated May 26, 2006 (the "Motion"), of Delphi Corporation and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for an order (the "Order") pursuant to 11 U.S.C. § 363(b) and Fed. R. Bankr. P. 2002 and 6004 authorizing and approving the Debtors' entry into the Transfer Agreement dated May 26, 2006 by and between Delphi Automotive Systems LLC, a Debtor in these cases, and Johnson Controls, Inc. ("JCI"), a copy of which is attached hereto as Exhibit 1 (together, with the exhibits and schedules attached thereto, the "Transfer Agreement"), providing for (a) sale of certain assets (the "Acquired Assets") of the Debtors' battery manufacturing facility in New Brunswick, New Jersey (the "New Brunswick Facility") free and clear of liens, claims, and encumbrances (the "Sale"), (b) the continuation and transition of supply to JCI of battery products out of the Debtors' manufacturing facility in Fitzgerald, Georgia (the "Fitzgerald Facility"), and (c) implementation of an attrition plan with respect to the New Brunswick facility;

and upon the record of the hearing held on the Motion; and this Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest; and it appearing that proper and adequate notice of the Motion has been given and that no other or further notice is necessary; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

FOUND AND DETERMINED THAT:¹

A. The court has jurisdiction over the Motion and the transactions contemplated by the Transfer Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 363 of 11 U.S.C. §§ 101-1330, as amended (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002 and 6004.

C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of counsel at the hearing on the Motion (the "Hearing"), (i) proper, timely, adequate and sufficient notice of the Motion, the Hearing and the sale of the Acquired Assets (as defined in the Transfer Agreement) has been provided in accordance with 11 U.S.C. §§ 102(l) and 363 and Fed. R. Bankr. P. 2002 and 6004, (ii) such notice was good and sufficient, and appropriate under the particular circumstances, and (iii) no other or further notice of the Motion, the Hearing, or the Sale is or shall be required.

¹ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

D. Each applicable Debtor (i) has full corporate power and authority to execute the Transfer Agreement and all other documents contemplated thereby, and the transfer and conveyance of the Acquired Assets by the Debtors has been duly and validly authorized by all necessary corporate action of each of the Debtors, (ii) has all of the corporate power and authority necessary to consummate the transactions contemplated by the Transfer Agreement, and (iii) has taken all corporate action necessary to authorize and approve the Transfer Agreement and the consummation by such Debtor of the transactions contemplated thereby, and no consents or approvals, other than those expressly provided for in the Transfer Agreement, are required for each applicable Debtor to consummate such transactions.

E. Approval of the Transfer Agreement and consummation of the Sale at this time are in the best interests of the Debtors, their creditors, their estates, and other parties in interest.

F. The Debtors have demonstrated good, sufficient, and sound business purpose and justification in that, among other things, the Debtors and their advisors diligently and in good faith analyzed all other available options in connection with the disposition of the Acquired Assets and determined that the terms and conditions set forth in the Transfer Agreement, and the transfer to JCI of the Acquired Assets pursuant thereto, represent a fair and reasonable purchase price and constitute the highest and best value obtainable for the Acquired Assets. A sale of the Acquired Assets at this time to JCI pursuant to 11 U.S.C. § 363(b) is the most favorable alternative to minimize the Debtors' losses attributable to the Acquired Assets, and maximizes the Debtors' estates for the benefits of all constituencies. Delaying approval of the Sale might result in JCI's termination of the Transfer Agreement and may result in an

alternative outcome that will achieve less value and cause greater losses for the Debtors, their estates, and their creditors.

G. The Debtors have demonstrated good, sufficient, and sound business purpose and justification regarding the continuation and ultimate transition to JCI of the supply of battery products out of the Fitzgerald Facility pursuant to the Transfer Agreement.

H. The Debtors have demonstrated good, sufficient, and sound business purpose and justification in that, among other things, the Debtors and their advisors diligently and in good faith analyzed the terms and conditions of the IUE-CWA Memorandum (as defined below) and determined that the terms and conditions thereof and in particular the terms and conditions of the IUE-CWA New Brunswick Attrition Plan (as defined below) set forth in the IUE-CWA Memorandum is an appropriate plan under the circumstances and is in the best interests of the Debtors, their estates, and their creditors.

I. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including: (i) the Office of the United States Trustee for the Southern District of New York, (ii) all entities known to have asserted any lien, claim, interest, or encumbrance in or upon the Acquired Assets, including but not limited to environmental, employee, and product liability claims, (iii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (iv) all entities known to have an interest in a transaction with respect to the Acquired Assets during the past six months, (v) the United States Attorney's office, (vi) the United States Department of Justice, (vii) the Securities and Exchange Commission, (viii) the Internal Revenue Service, (ix) all entities on the Master Service List (as defined by the

Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(M), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")) and such other entities that are required to be served with notices under the Supplemental Case Management Order, (x) counsel for JCI, (xi) counsel for the Official Committee of Unsecured Creditors appointed in these chapter 11 cases, and (xii) counsel for the Official Committee of Equity Security Holders appointed in these chapter 11 cases.

J. JCI is not an "insider" of any of the Debtors, as that term is defined in 11 U.S.C. § 101(31).

K. The Transfer Agreement was negotiated, proposed, and entered into by the Debtors and JCI without collusion, in good faith, and from arm's-length bargaining positions. Neither the Debtors nor JCI have engaged in any conduct that would cause or permit the Transfer Agreement to be avoided under 11 U.S.C. § 363(n).

L. JCI is a good faith purchaser under 11 U.S.C. § 363(m) and, as such, is entitled to all of the protections afforded thereby.

M. The consideration provided by JCI for the Acquired Assets pursuant to the Transfer Agreement (i) is fair and reasonable, (ii) is the highest and best offer for the Acquired Assets, (iii) will provide a greater recovery for the Debtors' creditors than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia.

N. The transfer of the Acquired Assets to JCI will be a legal, valid, and effective transfer of the Acquired Assets, and, except as expressly permitted or otherwise specifically provided for in the Transfer Agreement or this Order, will vest JCI with all right, title, and interest of the Debtors to the Acquired Assets free and clear of all liens, claims, and encumbrances, including, but not limited to those (A) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Debtors' or JCI's interest in the Acquired Assets, or any similar rights, (B) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Debtors' battery business prior to the transfer of the Acquired Assets to JCI, and (C) mortgages, restrictions, hypothecations, charges, indentures, loan agreements, instruments, leases, licenses, options, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, liens (including, without limitation, mechanics', materialmen's, and other consensual and non-consensual liens and statutory liens), judgments, demands, encumbrances, rights of first refusal, offsets, contracts, recoupment, rights of recovery, claims for reimbursement, contribution, indemnity, exoneration, products liability, alter-ego, environmental, or tax, decrees of any Court or foreign or domestic governmental entity, or charges of any kind or nature, if any, including, but not limited to, any restriction on the use, transfer, receipt of income, or other exercise of any attributes of ownership, debts arising in any way in connection with any agreements, acts, or failures to act, of any of the Debtors or any of the Debtors' predecessors or affiliates, claims (as that term is defined in the Bankruptcy Code), reclamation claims, obligations, liabilities, demands, guaranties, options, rights, contractual or other commitments, restrictions, interests and matters of any kind and nature, whether known or unknown, choate or inchoate, filed or unfilled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or

unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the commencement of these bankruptcy cases, and whether imposed by agreement, understanding, law, equity or otherwise, including claims otherwise arising under doctrines of successor liability (the items and concepts listed in (A), (B), and (C) above, collectively, the "Interests or Claims").

O. If the Sale of the Acquired Assets were not free and clear of all Interests or Claims as set forth in the Transfer Agreement and this Order, or if JCI would, or in the future could, be liable for any of the Interests or Claims as set forth in the Transfer Agreement and this Order, JCI would not have entered into the Transfer Agreement and would not consummate the Sale or the transactions contemplated by the Transfer Agreement, thus adversely affecting the Debtors, their estates, and their creditors.

P. The Debtors may sell their interests in the Acquired Assets free and clear of all Interests or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. All holders of Interests or Claims who did not object, or withdrew their objections to the Sale, are deemed to have consented to the Sale, pursuant to 11 U.S.C. § 363(f)(2). Those holders of Interests or Claims who did object fall within one or more of the other subsections of 11 U.S.C. § 363(f) and are adequately protected by having their Interests or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest or Claim.

Q. The Debtors are authorized to sell, transfer, convey or assign to JCI, all of the Debtors' right, title, and interest (including common law rights) to all of their intangible

property included in the Acquired Assets to the broadest extent permitted by law and the terms of the Transfer Agreement.

R. Approval of the Transfer Agreement and consummation of the Sale of the Acquired Assets at this time are in the best interests of the Debtors, their creditors, their estates and other parties in interest.

S. The liabilities being assumed by JCI under the Transfer Agreement, including but not limited to those liabilities set forth on Exhibit 3.6H (Environmental Matters) and Exhibit 4.1 (Employee Matters) to the Transfer Agreement, are an integral part of the Acquired Assets being purchased by JCI and, accordingly, such assumption is reasonable, enhances the value of the Debtors' estates, and does not constitute unfair discrimination.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

General Provisions

1. The Motion is GRANTED.

Approval Of The Transfer Agreement

2. Pursuant to 11 U.S.C. § 363(b), the Transfer Agreement, and all of the terms and conditions thereof, are hereby approved.
3. Pursuant to 11 U.S.C. § 363(b), the Debtors are authorized to perform their obligations under the Transfer Agreement and comply with the terms thereof and consummate the Sale in accordance with and subject to the terms and conditions of the Transfer Agreement.

4. Each of the signatories to the Transfer Agreement is directed to take all actions necessary or appropriate to effectuate the terms of this Order with respect to the Sale.

5. The Debtors are authorized and directed to execute and deliver, and empowered to perform under, consummate, and implement, the Transfer Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Transfer Agreement, and to take all further actions as may be requested by JCI for the purpose of assigning, transferring, granting, conveying, and conferring to JCI or reducing to possession, the Acquired Assets, or as may be necessary or appropriate to the performance of the obligations as contemplated by the Transfer Agreement.

6. This Order and the Transfer Agreement shall be binding in all respects upon all creditors (whether known or unknown) of any Debtor, JCI, all successors and assigns of JCI, the Debtors and their affiliates and subsidiaries, and any subsequent trustees appointed in the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code and shall not be subject to rejection. To the extent any provision of this Order is inconsistent with the terms of the Transfer Agreement, this Order shall govern.

7. The Transfer Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court; provided that any such modification, amendment, or supplement is not material.

Sale And Transfer Of The Acquired Assets

8. Except as expressly permitted or otherwise specifically provided for in the Transfer Agreement or this Order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the

consummation of the Transfer Agreement, the Acquired Assets shall be transferred to JCI free and clear of all Interests or Claims, with all such Interests or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets, subject to any claims and defenses the Debtors may possess with respect thereto. Following the date of the completion of the transfer of the New Brunswick Facility to JCI under the Transfer Agreement (the "Completion Date"), no holder of any Interests or Claims in the Acquired Assets shall interfere with JCI's use and enjoyment of the Acquired Assets based on or related to such Interests or Claims, or any actions that the Debtors may take in their chapter 11 cases and no person shall take any action to prevent, interfere with or otherwise enjoin consummation of the transactions contemplated in or by the Transfer Agreement or this Order.

9. Except as expressly provided in the Transfer Agreement or this Order, other than the liabilities assumed under the Transfer Agreement, including but not limited to those liabilities set forth on Exhibit 3.6H (Environmental Matters) and Exhibit 4.1 (Employee Matters) to the Transfer Agreement, the sale, transfer, assignment, and delivery of the Acquired Assets pursuant to the Transfer Agreement shall not be subject to any Interests or Claims, and Interests or Claims of any kind or nature whatsoever shall attach only to the net proceeds of the Sale in their order of priority. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade and other creditors, holding Interests or Claims arising in any way in connection with any acts, or failure to act, of the Debtors or the Debtors' predecessors or affiliates, claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations, demands, or guaranties of any kind and nature against or in the Debtors or the Acquired Assets (whether legal or equitable,

secured or unsecured, matured or unmatured, contingent or noncontingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to the Debtors, the Acquired Assets, the operation of the Debtors' battery business prior to the Completion Date, or the transfer of the Acquired Assets to JCI, hereby are, and will be, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Interests or Claims of any kind or nature whatsoever against JCI, its successors or assigns, their property, or any designee, such persons' or entities' Interests or Claims. Following the Completion Date, no holder of an Interest or Claim (other than holders of liabilities assumed under the Transfer Agreement, including but not limited to those liabilities set forth on Exhibit 3.6H (Environmental Matters) and Exhibit 4.1 (Employee Matters) to the Transfer Agreement, on account of such liabilities only) against the Debtors shall interfere with JCI's title to or use and enjoyment of the Acquired Assets based on or related to such Interests or Claims and all such Interests or Claims, if any, shall be and hereby are channeled, transferred and attached solely and exclusively to the proceeds of the Sale in their order of priority.

10. Except as expressly provided in the Transfer Agreement or this Order, the transfer of the Acquired Assets to JCI pursuant to the Transfer Agreement does not require any consents other than as specifically provided for in the Transfer Agreement and constitutes a legal, valid, and effective transfer of the Acquired Assets, and shall vest JCI with all right, title, and interest of the Debtors in and to the Acquired Assets free and clear of all Interests or Claims of any kind or nature whatsoever (except for the liabilities assumed under the Transfer Agreement, including but not limited to those liabilities set forth on Exhibit 3.6H (Environmental Matters) and Exhibit 4.1 (Employee Matters) to the Transfer Agreement).

11. If any person or entity that has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing Interests or Claims against or in the Acquired Assets shall not have delivered the foregoing to the Debtors prior to the Completion Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfactions, releases of all Interests or Claims that the person or entity has with respect to the Acquired Assets, or otherwise, then (a) the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) JCI is hereby authorized to file, register or otherwise record a certified copy of this Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Interests or Claims in the Acquired Assets of any kind or nature whatsoever.

12. This Order (a) shall be effective as a determination that, on the Completion Date, all Interests or Claims of any kind or nature whatsoever existing as to the Debtors or the Acquired Assets prior to the Completion Date have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected and (b) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.

13. Except as otherwise expressly provided in the Transfer Agreement, no person or entity, including, without limitation, any federal, state or local governmental agency, department or instrumentality, shall assert by suit or otherwise against JCI or its successors in interest any claim that they had, have or may have against the Debtors, or any liability, debt, or obligation relating to or arising from the Acquired Assets, or the Debtors' operation of the Business or use of the Acquired Assets, including, without limitation, any liabilities calculable by reference to the Debtors or their assets or operations, and all persons and entities are hereby enjoined from asserting against JCI in any way any such claims, liabilities, debts or obligations.

14. Except as expressly provided in the Transfer Agreement or this Order, JCI is not assuming nor shall it in any way whatsoever be liable or responsible, as a successor or otherwise, for any liabilities, debts, commitments, or obligations (whether known or unknown, disclosed or undisclosed, absolute, contingent, inchoate, fixed, or otherwise) of the Debtors or any liabilities, debts, commitments, or obligations in any way whatsoever relating to or arising from the Acquired Assets or the Debtors' operation of their business or use of the Acquired Assets on or prior to the Completion Date or any such liabilities, debts, commitments, or obligations that in any way whatsoever relate to periods on or prior to the Completion Date or are to be observed, paid, discharged, or performed on or prior to the Completion Date (in each case, including any liabilities that result from, relate to or arise out of tort or other product liability claims), or any liabilities calculable by reference to the Debtor or their assets or operations, or relating to continuing conditions existing on or prior to the Completion Date, which liabilities, debts, commitments, and obligations are hereby extinguished insofar as they may give rise to successor liability, without regard to whether the claimant asserting any such liabilities, debts, commitments, or obligations has delivered to JCI a release thereof. Without

limiting the generality of the foregoing, except as expressly provided in the Transfer Agreement or this Order, JCI shall not be liable or responsible, as a successor or otherwise, for the Debtors' liabilities, debts, commitments, or obligations, whether calculable by reference to the Debtors, arising on or prior to the Completion Date and under or in connection with (i) any employment or labor agreements (including, without limitation, the payment of wages, bonuses, severance pay, benefits (including, without limitation, contributions or payments on account of any underfunding with respect to any and all pension plans) or any other payment to employees of Debtors while such individuals were employed by the Debtors), consulting agreements, severance arrangements, change-in-control agreements, or other similar agreement to which any Debtor is a party, (ii) any pension, welfare, compensation, or other employee benefit plans, agreements, practices, and programs, including, without limitation, any pension plan of the Debtors (including, without limitation, retention, benefit and/or incentive plan to which any Debtors are a party and relating to the battery business (including, without limitation, arising from or related to the rejection or other termination of any such agreement)), (iii) the cessation of the Debtors' operations, dismissal of employees, or termination of employment or labor agreements or pension, welfare, compensation, or other employee benefit plans, agreements, practices, and programs, obligations that might otherwise arise from or pursuant to the Employee Retirement Income Security Act of 1974, as amended, the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964, the Age Discrimination and Employment Act of 1967, the Federal Rehabilitation Act of 1973, the National Labor Relations Act, the Consolidated Omnibus Budget Reconciliation Act of 1985, COBRA, or the Worker Adjustment and Retraining Notification Act, (iv) workers' compensation, occupational disease, or unemployment or temporary disability insurance claims, (v) environmental liabilities, debts, claims, or obligations arising from

conditions first existing on or prior to Completion Date (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), which may be asserted on any basis, including, without limitation, under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., (vi) any bulk sales or similar law, (vii) any liabilities, debts, commitments, or obligations of, or required to be paid by, the Debtors for any Taxes of any kind for any period, (viii) any liabilities, debts, commitments, or obligations for any Taxes relating to the business of the Debtors or the Acquired Assets for or applicable to the period prior to the Completion Date, (ix) any litigation relating to the Acquired Assets for or applicable to the period prior to the Completion Date, and (x) any products liability or similar claims, whether pursuant to any state or any federal laws or otherwise, relating to the Acquired Assets for or applicable to the period prior to the Completion Date. JCI shall in no way be deemed a party to or assignee of any such agreement set forth in (i), (ii), and (iii) above, and no employee of JCI shall be deemed in any way covered by or a party to any such agreement, and all parties to any such agreement are hereby enjoined from asserting against JCI any and all claims arising from or relating to such agreement. Any and all notices, if any, required to be given to the Debtors' employees pursuant to the Workers Adjustment and Retraining Notification Act, or any similar federal or state law, shall be the sole responsibility and obligation of the Debtors and JCI shall have no responsibility or liability therefore.

15. Upon the completion of the transactions contemplated by the Transfer Agreement, JCI shall not be deemed to (i) be the successor of the Debtors, (ii) have, de facto, or otherwise, merged with or into the Debtors, (iii) be a mere continuation or substantial continuation of the Debtors or the enterprise(s) of the Debtors, or (iv) be liable for any acts or omissions of the Debtors in the conduct of the Debtors' business.

Continuation And Transition Of Supply Out Of Fitzgerald

16. The Debtors are hereby authorized to (a) continue manufacturing and supplying JCI with battery products manufactured at the Fitzgerald Facility in accordance with JCI's diminishing supply requirements and (b) to transition production of battery products manufactured at the Fitzgerald Facility to other JCI facilities.

17. The Debtors and JCI are each directed to take all actions necessary or appropriate to effectuate the terms of this Order with respect to the supply and transition of battery products from the Fitzgerald Facility.

IUE-CWA Consent And IUE-CWA New Brunswick Attrition Plan

18. The Debtors are hereby authorized to enter into the agreement by and among Delphi Corporation, the International Union, IUE-CWA and IUE-CWA Local 416 (collectively the "IUE-CWA") attached to the Transfer Agreement as Exhibit 1.13 thereto (the "IUE-CWA Memorandum") and to implement the terms of such IUE-CWA Memorandum, including without limitation (i) that certain attrition plan between Delphi and the IUE-CWA (the "IUE-CWA New Brunswick Attrition Plan") with respect to the New Brunswick Facility and (ii) that certain consent to the waiver of that certain no-sale clause and neutrality obligations (the "IUE-CWA Consent").

19. Each of the signatories to the IUE-CWA Memorandum is directed to take all actions necessary or appropriate to effectuate the terms of this Order with respect to the IUE-CWA Consent and the IUE-CWA New Brunswick Attrition Plan and the terms of the IUE-CWA Consent and the IUE-CWA New Brunswick Attrition Plan, including, without limitation, any

and all actions necessary or appropriate to its implementation of and performance under the IUE-CWA Consent and the IUE-CWA New Brunswick Attrition Plan.

Additional Provisions

20. The consideration provided by JCI for the Acquired Assets under the Transfer Agreement is hereby deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and under the laws of the United States, and any state, territory, possession, or the District of Columbia.

21. On the Completion Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Acquired Assets or a bill of sale transferring good and marketable title in such Acquired Assets to JCI on pursuant to the terms of the Transfer Agreement.

22. Except as otherwise provided in the Transfer Agreement, on the Completion Date, each of the Debtors' creditors is authorized and directed to execute such documents and take all other actions as may be necessary to release their respective Interests or Claims against the Acquired Assets, if any, as may have been recorded or may otherwise exist.

23. Each and every federal, state, and governmental agency or department, and any other person or entity, is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Transfer Agreement.

24. All entities who are currently, or as of the Completion Date may be, in possession of some or all of the Acquired Assets to be sold, transferred, or conveyed pursuant to

the Transfer Agreement are hereby directed to surrender possession of the Acquired Assets to JCI on the Completion Date.

25. The transactions contemplated by the Transfer Agreement are undertaken by JCI in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale of the Acquired Assets shall not affect the validity of the Sale to JCI, unless such authorization is duly stayed pending such appeal. JCI is a purchaser in good faith of the Acquired Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

26. The consideration paid by JCI in the Sale for the Acquired Assets under the Transfer Agreement is fair and reasonable, and may not be avoided or otherwise challenged under 11 U.S.C. § 363(n).

27. The Debtors, including but not limited to their respective officers, employees, and agents, are hereby authorized to execute such documents and do such acts as are necessary or desirable to carry out the transactions contemplated by the terms and conditions of the Transfer Agreement and this Order. The Debtors shall be, and they hereby are, authorized to take all such actions as may be necessary to effectuate the terms of this Order.

28. The terms and provisions of the Transfer Agreement and this Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtors, their estates, and their creditors, JCI, and its respective affiliates, successors, and assigns, and any affected third parties, including, but not limited to, all persons asserting an Interest or Claim in the Acquired Assets to be sold to JCI pursuant to the Transfer Agreement, notwithstanding any subsequent appointment of any trustee(s), party, entity, or other fiduciary under any section of any chapter of

the Bankruptcy Code, as to which trustee(s), party, entity, or other fiduciary such terms and provisions likewise shall be binding.

29. Notwithstanding anything contained herein to the contrary, the term "Acquired Assets" as defined herein does not include property that is not property of the Debtors' estates, such as funds that are trust funds under any applicable state lien laws.

30. To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets sold, transferred, or conveyed to JCI on account of the filing or pendency of these chapter 11 cases or the consummation of the Sale.

31. The failure specifically to include or to reference any particular provision of the Transfer Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Transfer Agreement be authorized and approved in their entirety.

32. The Transfer Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court; provided that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors' estates.

33. The provisions of this Order are nonseverable and mutually dependent.

34. Nothing in this Order shall alter or amend the Transfer Agreement and the obligations of the Debtors and JCI thereunder.

35. This Court retains jurisdiction to enforce and implement the terms and provisions of the Transfer Agreement, all amendments thereto, any waivers and consents

thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Acquired Assets to JCI, (b) compel delivery of the purchase price, reimbursement of costs under the IUE-CWA New Brunswick Attrition Plan, or performance of other obligations owed to the Debtors pursuant to the Transfer Agreement, (c) resolve any disputes arising under or related to the Transfer Agreement, except as otherwise provided therein, (d) interpret, implement, and enforce the provisions of this Order, and (e) protect JCI against any Interests or Claims against the Debtors or the Acquired Assets, of any kind or nature whatsoever, attaching to the proceeds of the Sale.

36. Notwithstanding Rule 6004(g) of the Federal Rules of Bankruptcy Procedure or any other Bankruptcy Rule, this Order shall take effect immediately upon its entry.

37. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Motion.

2.2 Subject to the provisions of this Exhibit, and solely with respect to the New Brunswick Real Property, the Buyer shall indemnify the Seller for Environmental Damages arising from Post-Closing Environmental Contamination, Post-Closing Off-Site Liability or Post-Closing Compliance Matters.

2.3 Subject to the provisions of this Agreement, for those Environmental Damages arising from circumstances that may be considered both (i) Pre-Closing Environmental Contamination and Post-Closing Environmental Contamination, (ii) Pre-Closing Compliance Matters and Post-Closing Compliance Matters, or (iii) Pre-Closing Off-Site Liability and Post-Closing Off-Site Liability, such Environmental Damages shall be allocated between the Parties in proportion to the extent that such Environmental Damages arose pre- or post-Completion Date, and each Party shall indemnify the other for its share as determined by such allocation.

3. LIMITATIONS ON LIABILITY. Neither Party shall be liable under this Agreement for Environmental Damages:

3.1 In the case of Environmental Claims arising from Pre-Closing Compliance Matters or Post-Closing Compliance Matters (as the case may be), unless written notice of such claim has been served on the non-claiming Party on or before eighteen (18) months following the Completion Date;

3.2 In the case of Environmental Claims arising from a Pre-Closing Environmental Contamination, except for Remedial Works pursuant to clause 4.1 of this Exhibit, or Post-Closing Environmental Contamination (as the case may be), unless written notice of such claim has been served on the non-claiming Party on or before seven (7) years following the Completion Date. Remedial Works under clause 4.1 of this Exhibit shall be governed by the applicable statute of limitations under ISRA (as defined in clause 4.1 of this Exhibit).

3.3 Except for Remedial Works under clause 4.1 of this Exhibit (for which Seller is solely responsible), subject to clauses 3.1 and 3.2 of this Exhibit, no Party will be liable to the other under this Exhibit unless and until the aggregate amount of all Environmental Claims each of which exceeds the amount set forth in this clause 3.3 and which are determined to be payable by the Party on which the claim is made exceeds \$500,000, and in such event the paying Party is liable solely for the amounts exceeding \$500,000. For all purposes under this Article 3 and Section 7.1 of the Agreement, the Deductible Amount with respect to environmental claims shall be (i) the \$500,000 amount referred to in this clause 3.3, less (ii) any amounts that may have been incurred by the relevant claiming party under environmental matters agreements entered into in connection with the sale of any of Seller's global battery operations to Buyer in 2005. The Cap Amount is as set forth Section 7.1.

3.4 In the case of Environmental Damages arising from Pre-Closing Environmental Contamination, unless the claiming Party discovers the facts and circumstances giving rise to such claim solely in connection with an investigation

required by an applicable Environmental Law, an order by a Competent Authority, a final judgment of a claim by a Third Party, or settlement of a claim by a Third Party to which the non-claiming Party has agreed (such agreement not to be unreasonably withheld).

3.5 Where Buyer uses the New Brunswick Real Property for a use other than an industrial use, or seeks to or changes the zoning or land use classification of the New Brunswick Real Property to a classification more sensitive than the industrial classification;

3.6 Where, subject to clause 3.7 below, and insofar as the Parties agree to treat this Agreement and all information gathered, known or obtained as a result of the sale and purchase of the Business or performing any obligation or exercising any right under this Exhibit as confidential, for any Environmental Damages claims to the extent that such claim would not have arisen or was increased or made more costly as a result of the claiming Party or any of its respective employees, agents or contractors volunteering or disclosing information to any Competent Authority or Third Party without the prior written consent of the non-claiming Party;

3.7 The following shall not be deemed to be or to have been volunteering or disclosing of information for the purpose of this clause 3.7:

(i) Where the disclosure is required by any law (including any Environmental Law),

(ii) Where the disclosure is specifically and formally required by any securities exchange or regulatory or other Competent Authority to which either Party is subject or submits wherever situated,

(iii) Where the information is clearly in the public domain through no fault of the claiming Party, or

(iv) Where the non-claiming Party has given prior written approval to the disclosure;

3.8 To the extent the claiming Party did not take reasonable steps to avoid or mitigate any Environmental Damages, acting in a reasonable and cost-effective manner; in the case of an emergency, where a Party takes any action to avoid or mitigate any Environmental Damages, (a) it shall for the avoidance of doubt not be in breach of this Agreement and shall not be precluded from recovering its Environmental Damages provided that the claiming Party notifies the other Party of such circumstances as soon as reasonably practicable and provided that such actions or steps are the minimum necessary to avert the emergency; and (b) the reasonable costs and expenses of all steps taken pursuant to the duty to mitigate contained in this clause 3.8 shall be deemed to be Environmental Damages.

3.9 Notwithstanding anything to the contrary in Section 7.1 of this Agreement, the Deductible Amount with respect to environmental claims shall be \$500,000 less any amounts that may have been incurred by the relevant claiming party under environmental matters agreements entered into in connection with the sale of any of Seller's global battery operations to Buyer in 2005. The Cap Amount is as set forth Section 7.1. Subject to clauses 3.1 and 3.2 of this Agreement, set forth in Subject to

clauses 4.1, 4.2 and 4.3 of this Agreement, unless and until the aggregate amount of all Environmental Claims each of which exceeds the amount set forth in clause 4.4 of this Agreement and which are determined to be payable by the Party on which the claim is made exceeds \$500,000, and in such event the paying Party is liable solely for the amounts exceeding \$500,000; provided, however, that with respect to Pre-Closing Compliance Matters and Pre-Closing Environmental Contamination referred to in Paragraph 2.2 for which Seller has warranted that it will effect the Remedy with respect to such Pre-Closing Compliance Matters and Pre-Closing Environmental Contamination, Seller shall pay all amounts necessary to effect the Remedy of such issues, which amounts shall not be included in determining when the aggregate amount of claims exceed \$500,000.

4. REMEDICATION OF ENVIRONMENTAL DAMAGE:

4.1 Seller shall file such papers, and conduct such investigation and remediation as required by the New Jersey Department of Environmental Protection ("NJDEP") to satisfy the requirements of the State of New Jersey's Industrial Site Recovery Act, N.J.S.A. 13.1K-6 *et seq.*, and regulations promulgated thereto, N.J.A.C. Title 7, Chapter 26B (collectively "ISRA"), as ISRA is in effect as of the date of the Put Completion Date, as follows: As soon as the Parties mutually agree that it is substantially certain that the third party consent needed prior to any exercise of the Put Option or Call Option will be obtained, Seller shall, pursuant to the requirements of ISRA, promptly prepare and submit to NJDEP a General Information Notice. Thereafter, with reasonable diligence, Seller shall, pursuant to ISRA, continue to undertake the activities and to submit the required documentation to NJDEP necessary to complete its responsibilities under ISRA, according to any schedule approved by NJDEP and consistent with NJDEP requirements. In all cases, Seller shall have the right at its sole discretion to seek reasonable extensions of the schedules approved by NJDEP where site conditions warrant. Where the State of New Jersey requires any consent agreement into which Seller, the State of New Jersey and Buyer must enter pursuant to ISRA, Buyer shall sign such consent agreement. Any such consent agreement shall be consistent with a remedial action for industrial property.

4.2 Where an Environmental Damage arises out of Environmental Contamination, the non-claiming Party shall be responsible for Remedial Works or the redressing of a Compliance Matter ("Remedy") to no less but no more than the minimum standards or levels of Environmental Laws; such Remedial Works may be determined using risk assessment and related risk evaluation methods.

4.3 The non-claiming Party shall, where a Remedy is required pursuant to this Agreement, have conduct of such Remedy.

4.4 The conduct of a Remedy shall be as follows:

- A. The non-claiming Party shall prepare appropriate work plans or scopes of work to satisfactorily undertake and complete the Remedy under this Agreement; such Party will provide the other Party with an opportunity to review and comment on such work plans or scopes of work, which comments the non-claiming Party may elect to

adopt where such comments do not increase any cost or liability of the Remedy;

B. The non-claiming Party shall, at its sole discretion, either:

(i) Determine to and obtain approval of the Remedy by the appropriate Competent Authority prior to implementation of the Remedy; when requested, the claiming Party shall cooperate with the non-claiming Party in any communications with the appropriate Competent Authority; after the non-claiming Party has obtained such approval, such Party shall provide notice of such approval to the claiming Party; or

(ii) Determine to implement the Remedy without first seeking approval from the appropriate Competent Authority; the non-claiming Party shall provide notice to the claiming Party of such determination at the time the non-claiming Party provides the claiming Party with the work plan or scope of work set forth in clause 4.4A of this Exhibit;

C. Where the Seller is the non-claiming Party, Seller will take all reasonable steps to avoid interfering with Buyer's operation of the Business or use of the Real Property, and Buyer will reasonably cooperate with Seller including providing access to the New Brunswick Real Property and the use of utilities in the conduct of the Remedy;

D. Where applicable the non-claiming Party shall provide copies of all relevant correspondence sent to and received from a Competent Authority, and keep the claiming Party reasonably apprised of the progress of the conduct of the Remedy; and

E. The conduct of the Remedy shall be deemed complete when, as the case may be:

(i) The non-claiming Party has received approval regarding the Remedy by an applicable Competent Authority; or

(ii) Subject to clause 4.2 of this Exhibit, the Remedy meets applicable standards which an applicable Environmental Law allows.

5. **TRANSFER OF PERMITS AND LICENSES.** On and after the Closing Date, Seller and Buyer shall cooperate in taking all reasonable steps to effect the transfer or procure the re-issuance of any Environmental Permits necessary to operate the Business.

H. **"Successor Clause"** means Document 7 appended to the Delphi-IUE-CWA National Agreement.

I. **"Transferred U.S. Hourly Employees"** means those hourly employees of Seller hired by Buyer pursuant to Section 3.A(ii) below.

J. **"U.S. Hourly Employees"** means the hourly employees represented by the IUE-CWA who are employed by Seller at the New Brunswick, New Jersey plant immediately prior to the Completion Date and identified on Schedule 3.A(i) to this Exhibit 4.1 to be provided to Buyer by Seller concurrently with the Put Exercise Notice or within ten (10) days after Seller's receipt of a Call Exercise Notice, as applicable.

K. **"U.S. Salaried Employees"** means the salaried employees and hourly non-union employees who are employed by Seller at the New Brunswick, New Jersey plant immediately prior to the Completion Date.

2. **Pre-Completion Obligations of the Parties:**

A. Prior to Completion, Seller will:

(i) Endeavor to obtain Bankruptcy Court approval of the attrition plan set forth in the IUE Consent (attached as Exhibit 1.13 of this Agreement) and, upon receipt of necessary approvals, to implement the attrition plan set forth in Exhibit 1.13 (the "Attrition Plan") to reduce the number of U.S. Hourly Employees to approximately one hundred (100) U.S. Hourly Employees, in accordance with the terms of the IUE Consent [JCI to confirm the number as soon as possible after the date of this Agreement and no later than 5 days before Delphi commences the Attrition Plan]; and

(ii) Take the lead in negotiating a plant-specific agreement and waiver of the Successor Clause, with Buyer's involvement as the parties deem appropriate.

B. If waiver of the Successor Clause is obtained before the Completion Date:

(i) Buyer will take the lead in negotiating a collective bargaining agreement with the IUE-CWA exclusive to the U.S. Hourly Employees at the New Brunswick, New Jersey plant; and

(ii) Buyer will endeavor to obtain mutually agreed competitive work practices in a collective bargaining agreement, comparable to Buyer's existing IUE-CWA agreements at Buyer's St. Joseph, Missouri and Geneva, Illinois facilities.

C. If waiver of the Successor Clause is not obtained before the Completion Date:

(i) Until the Completion Date, Seller will endeavor to obtain mutually agreed competitive work practices in a collective bargaining agreement with the

IUE-CWA, comparable to Buyer's collective bargaining agreements with the IUE-CWA at Buyer's St. Joseph, Missouri and Geneva, Illinois facilities;

Subparagraphs 2.C(i) and 2.C(v) notwithstanding, to the extent that Buyer has not negotiated its own local agreement prior to Completion, as outlined in Section 2.C(i), Buyer will assume the terms and conditions of the Delphi-IUE-CWA National Agreement and Delphi-IUE-CWA Local Agreement applicable as of the Completion Date as they relate to the U.S. Hourly Employees, except that Seller has secured in the IUE Consent a waiver of the unpublished "Neutrality" letter in the Delphi-IUE-CWA National Agreement. Seller agrees that it is not Seller's intent to negotiate an agreement with the IUE-CWA after the effective date of this Agreement and prior to Completion that would impose additional material obligations or costs upon Buyer. To that end, and except as otherwise agreed by Buyer, Buyer will not assume terms and conditions relating to the following specified matters contained in any MOU, collective bargaining agreement or other agreement negotiated after the effective date of this Agreement which:

- a. Contains terms that would apply to or affect other facilities of Buyer;
- b. Contains any additional job security provisions for new hires not set forth in the ESCOP Plan;
- c. Introduces severance provisions that would make it impracticable to reduce the workforce;
- d. Requires that Buyer assume any Seller Employee Benefit Plans or participate in any multi-employer plan; or
- e. Guarantees specific levels of manning or requires that the New Brunswick Plant be operated in any specific way for any specific period of time

(iii) In connection with the foregoing clause 2.C(ii), Buyer will act in good faith and will not act unreasonably in order to avoid taking the New Brunswick plant.

(iv) Seller reaffirms its commitment to consult with Buyer's lead bargainer on an ongoing basis in the course of collective bargaining, Buyer's involvement to include option to be present on the premises, participate in specified briefing sessions, provide proposals to Seller, and the like. If in the course of such bargaining, matters which would significantly adversely impact New Brunswick plant competitiveness (compared year over year) arise, Buyer will not be obligated to assume related commitments without Buyer's consent, not to be unreasonably withheld.

(v) Buyer will endeavor to obtain waiver of the Successor Clause and obtain competitive work practices in a collective bargaining agreement with the IUE-CWA, comparable to Buyer's existing collective bargaining agreements with the IUE-CWA at Buyer's St. Joseph, Missouri and Geneva, Illinois facilities; and

(vi) Seller will obtain a waiver of, or otherwise remedy, any other materially significant document related to the Delphi-IUE-CWA National or Local Agreements, if any, that was not made available to Seller prior to July 1, 2005.

D. If a mutually agreeable collective bargaining agreement between the IUE-CWA and JCI is ratified before completion, then the terms of such agreement would

apply to the Transferred U.S. Hourly Employees rather than the terms of Delphi's agreements referred to in Section 2.C(ii) above. In the event of any conflict with the above terms of this Article 2 and the terms of the Memorandum of Agreement between Delphi and the IUE-CWA attached as Exhibit 1.13 to this Agreement (the "Memorandum"), the terms of the Memorandum will govern.

3. Obligations at Completion:

A. Buyer Obligations – U.S. Hourly Employees:

(i) Within five (5) days prior to Completion, Seller will identify in a Schedule 3.A(i) to this Exhibit 4.1, in accordance with the terms of the Attrition Plan and Section 2.A(i) of this Exhibit 4.1, all U.S. Hourly Employees who are employed as of the Completion Date, by name, social security number, date of hire, job code and current hourly rate. Seller and Buyer will confirm Schedule 3.A(i) of this Exhibit 4.1 as of the day prior to the Completion Date.

(ii) Effective on the Completion Date, Buyer will offer employment to all U.S. Hourly Employees identified on Schedule 3.A(i) to Exhibit 4.1. U.S. Hourly Employees who accept Buyer's offer of employment (by reporting to work or otherwise acknowledging acceptance) will be referred to as Transferred U.S. Hourly Employees:

a. U.S. Hourly Employees who are included in Schedule 3.A(i) and are not active as of the Completion Date due to disability, layoff, family medical leave or other approved leave of absence may elect to transfer to Buyer under the terms of the Attrition Plan, and will remain Seller's responsibility until any such U.S. Hourly Employee is ready to return to active employment in accordance with Seller's leave policies.

b. Upon such U.S. Hourly Employee's return to active status, Buyer will offer employment in accordance with Section 3.A(ii) above, and, provided such individual accepts Buyer's offer of employment, will be considered a Transferred U.S. Hourly Employee as of such date. In the event that a U.S. Hourly Employee is seeking to return to active employment from a medical-based leave, such individual's fitness for active employment must be approved by both Seller and Buyer provided such does not violate any applicable collective bargaining agreement.

c. If Seller and Buyer do not agree as to such individual's fitness for active employment, the issue will be submitted to an independent medical evaluator, whose determination will be final and binding on the parties. The cost of such independent medical evaluation will be shared equally by the parties.

(iii) Consistent with Buyer's obligations under Section 2.C(ii) above, unless Buyer is otherwise able to negotiate a new collective bargaining agreement with the IUE-CWA for the Transferred U.S. Hourly Employees, Buyer will provide the Transferred U.S. Hourly Employees with the same level of wages and benefits as required under the Delphi-IUE-CWA National Agreement and

Delphi-IUE-CWA Local Agreement, as applicable, in effect as of the Completion Date.

(iv) Buyer will assume and recognize the seniority status for all purposes of continued employment with Buyer.

(v) Buyer will recognize a Transferred U.S. Hourly Employee's pre-Completion credited service with Seller for eligibility and vesting purposes but not benefit accrual purposes with respect to any Buyer Employee Benefit Plans. However, in no case will credited service be recognized under this provision if such recognition will cause a duplication of compensation or benefits as between Seller and Buyer.

(vi) Transferred U.S. Hourly Employees' and their Beneficiaries' participation in and eligibility for benefits under the Buyer Employee Benefit Plans will commence as of the Completion Date.

(vii) To the extent allowed under applicable law, Transferred U.S. Hourly Employees who become eligible for a distribution of their account balances in the Delphi Personal Savings Plan will be permitted, at their discretion, to transfer such account balances to Buyer's defined contribution plan. The manner of such transfer will be a direct rollover.

(viii) Seller will retain responsibility to administer and all liability for labor grievances and arbitration proceedings (collectively the "**Grievances**") involving claims incurred prior to the Completion Date. For a period of ninety (90) days following the Completion Date, Buyer will notify Seller of any Grievances filed after the Completion Date which relate to claims incurred prior to the Completion Date. Buyer will be responsible to administer and bear all liability for Grievances involving claims incurred after the Completion Date. To the extent the administration or resolution of any Grievances require both the Buyer's and Seller's participation, the following apply:

a. Buyer and Seller will cooperate in the defense of the Grievances.

b. Buyer will not settle any Grievance without Seller's consent if such settlement will result in liability or obligation for Seller. Such consent will not be unreasonably withheld.

c. Seller will not settle any Grievance without Buyer's consent if such settlement will result in liability for Buyer. Such consent will not be unreasonably withheld.

d. If the seniority of a Transferred U.S. Hourly Employee is reinstated as a result of the disposition of a Grievance or a court or administrative order, Buyer will reinstate the Transferred U.S. Hourly Employee as if the Transferred U.S. Hourly Employee had been a Transferred U.S. Hourly Employee as of the Completion Date.

e. For Transferred U.S. Hourly Employees who have been continuously employed, back pay liability to the extent relating to an event, occurrence or cause of action arising prior to the Completion Date will be allocated to Seller. Liability relating to an event, occurrence or cause of action arising subsequent to the Completion Date will be allocated to Buyer, including but not limited to costs or other liability incurred by Seller as a result of loss of employment with Buyer, within one (1) year following Completion, by any Transferred U.S. Hourly Employee for any reason other than good cause relating to misconduct or performance under the applicable discipline procedure.

f. For U.S. Hourly Employees who become Transferred U.S. Hourly Employees because they are reinstated through the grievance procedure, back pay liability relating to periods prior to the Completion Date will be allocated to Seller. Liability relating to periods subsequent to the Completion Date will be allocated to Seller.

g. The parties will discuss treatment of Grievances involving unusual circumstances or events that continue before and after the Completion Date.

h. If either party withholds consent to a settlement or processing of a Grievance recommended by the other party or elects to continue to defend the Grievance, then such party will be liable for the portion of the back pay or other liability resulting from the ultimate disposition of such Grievance (or subsequent settlement) which is in excess of the liability that would have resulted from the settlement recommended and rejected.

(ix) Subject to Seller's obligations under Section 3.C(iv)a, liabilities, obligations, commitments, costs and expenses for workers' compensation benefits related to injuries or illnesses incurred by Transferred U.S. Hourly Employees after the Completion Date, will be the responsibility of Buyer.

(x) Buyer will not assume any Seller Employee Benefit Plans.

(xi) At Completion, Buyer will pay Seller \$12.5 million USD by wire transfer in accordance with wiring instructions to be provided by Seller before Completion, to reimburse Seller for costs incurred by Seller under the Attrition Plan, which costs would otherwise have been payable by Buyer under a predecessor agreement between the parties.

B. Buyer Obligations – U.S. Salaried Employees:

(i) Buyer will offer employment to all U.S. Salaried Employees, except as otherwise agreed by the parties prior to the time such offers have been made. Buyer's employment offers to U.S. Salaried Employees will include salary and benefit packages substantially comparable in the aggregate to those provided by Seller immediately prior to the Completion Date. Prior to tendering such offers, Buyer will provide Seller with information sufficient to satisfy Seller that such offers meet the "substantially comparable in the aggregate"

requirement. Seller's satisfaction that Buyer's offer meets this requirement may not be unreasonably withheld. Buyer will assume all Employment Rights relating to the U.S. Salaried Employees whom Buyer employs incurred on and after the date of hire. U.S. Salaried Employees whom Buyer hires will be subject to Buyer's policies and procedures, including any requirement that they execute agreements providing for the protection of Buyer's confidential information and adherence to Buyer's business conduct guidelines.

(ii) Buyer will recognize the length of service date and all credited service at Seller that the U.S. Salaried Employees whom Buyer hires accrued at Seller for purposes of vesting and eligibility (but not benefit accrual) under the Buyer Employee Benefit Plans.

C. Seller Obligations – U.S. Hourly Employees:

(i) Seller will remain responsible for all Employment Rights of the U.S. Hourly Employees incurred or vesting prior to the date when they become Transferred U.S. Hourly Employees, except as otherwise provided herein. In accordance with the terms of the Attrition Plan, all Transferred U.S. Hourly Employees will transfer at the established New Brunswick Tier III rate and benefits in accordance with applicable terms of the Delphi-IUE-CWA Local Agreement and the Delphi-IUE-CWA National Agreement in effect at Completion, or such other agreement as may be applicable under Section 2.D of this Exhibit 4.1.

(ii) Transferred U.S. Hourly Employees' and their Beneficiaries' participation in and eligibility for benefits under the Seller Employee Benefit Plans will cease as of the Completion Date. Notwithstanding the preceding sentence, the Seller Employee Benefit Plans will retain liability for all claims incurred by the Transferred U.S. Hourly Employees and their Beneficiaries on or prior to the Completion Date, including claims which are not submitted until after the Completion Date. A claim will be deemed incurred, as applicable:

a. On the date of the occurrence of death or dismemberment in the case of claims under life insurance and accidental death and dismemberment Seller Employee Benefit Plans;

b. On the date on which the service or treatment is provided in the case of claims under medical, hospital, dental and similar Seller Employee Benefit Plans; or

c. On the date following a Transferred U.S. Hourly Employee's last day worked on which a physician legally licensed to practice medicine certifies to total disability under the applicable disability Seller Employee Benefit Plans.

(iii) Regardless of the vesting date, Seller will pay to each Transferred U.S. Hourly Employee the amount of all accrued and unutilized vacation pay and any profit sharing due for the calendar year in which the Completion Date occurs on a pro-rata basis using the number of days worked by the Transferred U.S. Hourly Employees for Seller.

(iv) Seller will retain responsibility for:

a.
